We welcome back sorority actives from Katy representing 10-15 colleges to share recruitment information, give great tips, and answer all your questions. This event is for senior girls only and is one of our favorite nights!

And moms... we haven't forgotten about you. Several Panhellenic members who have daughters in sororities will lead discussion for all moms titled "What to Expect during My Daughter's Recruitment Week." Also held at Beck Junior High from 7-8pm.
